

FISH UNIVERSITY 2016

Meet our speakers!

Friday, March 11th * D. C. Everest Auditorium* 1st seminar starts at 5:00 PM

Dan “Grop” Gropengiser: “Fishing Late-Ice Panfish”

A resident of Rhinelander the past 37 years, “Grop” has grown up having a passion for the outdoors instilled in him from an early age. He is a successful multi-species guide with a special affinity for ice-fishing. “Grop” will be sharing tips on when, where and how to target panfish during the late winter season. His seminar will teach attendees everything they need to know about electronics, rods, baits and techniques to catch more and larger panfish before the open water season arrives!

Captain Jeff Van Remortel: “Northern Wisconsin Muskies”

to help you have your best musky season yet in 2016! You don’t want to miss this seminar!

Jake Thompson: “Multi-Species Opportunities in Marathon County”

Jake Thompson is a Fisheries Technician for the Wisconsin DNR. As an avid angler, Jake’s passion for fishing is fueled daily at his job as he works to study and manage local fisheries. Jake will be highlighting different, often much overlooked angling opportunities in Marathon County for a variety of species. If you have ever wanted to know what bodies of water hold the

largest fish, their habits, stocking information and more – don't miss Jake's seminar!
