

Muskies, Inc. Region 3

Cave Run Lake

"Muskie Capital of the South"

MARCH 17-18, 2018
MOREHEAD, KY

First Annual Chapter Challenge

Teams of muskie anglers will compete for a traveling trophy. Cave Run Lake is known as the "Muskie Capital of the South" and has the big fish to prove it. In spring pre-spawn conditions, rattle baits like the Ratt L Trap and Rattlin Shad consistently produce fish off shallow flats. Multiple fish days are possible. The PMTT fishes this lake each year in April. The Daniel Boone National Forest surrounds the lake where bald eagles fly along largely uninhabited shorelines.
