2008 – Red Isis Baitcaster

ONTARIO, Calif., - Okuma Fishing Tackle is proud to announce the release of the ALL NEW Red Isis series of High Performance bait casting round reels. Featuring precision helically cut brass gears for superior strength and higher engagement speeds, Red Isis reels are built for one thing and one thing only... catching BIG fish. And with Okuma's multi-disk carbonite drag washers, machined aluminum frame, and either the twin paddle graphite handle, or the machined aluminum power handle, anglers are sure to have the advantage when they hook up big.

Features

- Titanium Coated Line Guide Insert
- Multi-Disk Carbonite Drag Washers
- 5 – Stainless Steel Ball Bearings
- Quick-Set Anti-Reverse Roller Bearing
- Precision Machine Cut Brass Gears
- 1-Piece Aluminum Machined Rigid Frame
- Adjustable 6-pin Velocity Control System
- Machined Aluminum Power Handle Or Twin Paddle Carbon Fiber Handle
- Engaged Levelwind And On/Off Clicker On 400 Size Reels
