

## Larry Dahlberg from “Hunt for Big Fish” hosted by the Fox River Valley Chapter on January 13<sup>th</sup>, 2011!!

Larry Dahlberg is a Hall of Fame fisherman who has spent his life sampling everything our sport has to offer. Nobody has traveled farther or mastered the art of catching more different kinds of fish in all types of waters. Many of his theories and ideas helped write the rule book we all go by. Larry is a guide, tackle inventor, writer, filmmaker, and television host. Most of all, Larry loves to observe fish, the waters they live in, and figure out what it takes to catch them on purpose.

**And, we're proud to say that Larry Dahlberg will be our guest speaker at our January 13<sup>th</sup>, 2011 Fox River Valley Muskies, Inc. chapter club meeting. The dinner & presentation will be in the grand ballroom at the Schaumburg Golf Club located at 410 N. Roselle Road in Schaumburg, IL! Come on out & join us for a spectacular evening with Larry and his Hunt for Big Fish seminar!!**

“Whether we realize it or not,” he says, “we all have a deep longing for an organic connection with the natural world. It just might be the most important missing component in most people’s lives.

“Going to a place where semblance of a ‘natural world’ can be found, and getting to know how and when and where the things that live there are connected, can provide a spiritual and intellectual satisfaction that defines the experience, plus provides a link in the chain to understanding ourselves and our place in the world. “It’s also the best way to get to really know the creatures– whether they be bugs, bears, butterflies, or bass.”

Tickets for admission to the seminar are \$10.00 in advance or \$12.00 at the door the evening of the event! A buffet dinner will be served starting at 6:00PM prior to the presentation which will begin at 7:00PM. **Dinner costs are not included in ticket price.** Price for buffet dinner is \$12.00/adults and \$7.00/kids under 16.
